

## Safeguarding: Parents Code of Conduct

As a parent of a child with WAKO GB, we'd like you to:

- Make sure your child has the right kit for the session as well as enough food and drink.
- Arrives on time and is picked up promptly; or let us know if you are running late or the child is going home with someone else.
- Complete all consent, contact and medical forms as required.
- Maintain good relationships with your child's trainers and catch up with them as much as you can about their development.
- Talk to us if you have any concerns about your child involvement – we want to hear from you.
- Try to learn about your child's sport and what it means to them.
- Take time to talk to your child about what you both want to achieve through sport, remember that children get a wide range of benefits from participation such as making friends, exercise, developing life skills, it's not all about winning.
- Behave positively on the side lines. Encourage and tell them how proud you are.
- Think about how the way you react and behave impacts not only your child but other children too.
- Lead by example.
- Accept referees decisions and never enter the ring or tatami.

# WAKO

- Use social media responsibly when talking about what goes on at WAKO GB. Behave online as you would in person.
- Encourage good sportsmanship and etiquette in your child.
- Ensure your child understands their code of conduct.

We expect all parents to follow the behaviours and requests set out in this code. If any parent behaves in a way which contradicts any of the points set out above, we'll address the problem straight away with the parent and aim to resolve the issue.
